

Name: _____

TIME CAPSULE

A time capsule is a container that holds papers (articles, documents, etc.) that represents the current time period to be discovered at a future time.

Directions:

1. Put today's date in the top left column titled "Date"
2. Answer the questions below that column.
3. In complete sentences answer the question at the bottom of the paper.

Upon completion, we will place everyone's papers in a time capsule until the end of the school year.
