# Describe with Adjectives

Directions: Write five adjectives that describe this scene. Then write a short sentence using the adjective.

An **adjective** is a word that describes a noun (person, place or thing).

Adjectives can add exciting to your writing!

**Example:** The house is **mysterious**. (mysterious describes the feeling of the house.)

**Tip:** Think of adjectives that relate to the five senses (sight, sound, taste, touch, feel).
