

Name: _____

Date: _____

Action Verbs

Directions: Underline two action verbs in each sentence.

An **action verb** is a word that shows what someone or something is doing.

Tip: If you are unsure whether a sentence contains an action verb or not, look at every word in the sentence and ask yourself, "Can a person or thing *do* this?"

Tip: Sentences can contain more than one verb.

Two Verb Example: The detective must **investigate** the crime scene and **collect** evidence.
The farmer must **feed** the cattle before they go to **sleep**.

	Sentence
1.	Mark jogs three miles as part of his exercise routine.
2.	The policeman must direct traffic when it is snowing outside.
3.	The dog barked and waited at the door for his owner.
4.	My brother missed his flight because he was sleeping.
5.	An airplane must descend to the runway before rolling to a stop.
6.	The doctor must examine the patient, and then establish a cause for the illness.
7.	Canadian television stations will display the Olympic swimming games.
8.	If you are driving without a license, your can be seized by police.
9.	My mothers exercise program includes 30 minutes of running.
10.	That man is accused of robbing the bank.
