

Name: _____

Date: _____

Verbs

Directions: Underline the verb in each sentence.

An **action verb** is a word that shows what someone or something is doing.

Action Verb Todd is **throwing** the ball to Shawn.

Examples: The wind is **blowing** very fast.

Tip: If you are unsure whether a sentence contains an action verb or not, look at every word in the sentence and ask yourself, "Can a person or thing *do* this?"

	Sentence
1.	Windmills generate electricity when they turn.
2.	The author must illustrate the main point of a story.
3.	Mark is excellent in math when he applies himself.
4.	The artist must illustrate the scenery.
5.	Courtney will need to clean her room before she can go outside.
6.	You must have a license to operate the bulldozer.
7.	All twenty students participated in the science activity.
8.	In order to win the game, each player must support one another.
9.	Students must communicate with each other to find the answer.
10.	The investigator must search the crime scene to find all the evidence.
