

Name: _____

Date: _____

Fishing

Directions: Read the passage. Then answer the questions from the reading.

Recreational fishing, is fishing for fun. The most common form of recreational fishing is done with a fishing pole and live bait. Lures can also be used in place of bait. Some fishermen make handmade tackle themselves.

Big-game fishing is fishing from boats to catch large open-water species such as tuna, sharks and marlin.

Commercial fishing is the activity of capturing fish and other seafood for profit. It provides a large quantity of food to many people around the world. Commercial fishermen often hunt fish far into the ocean under very bad conditions.
