## LETS MAKE A TWO ROW WAMPUM BELT!

Use your graphing skills to re-create a two row wampum belt. Locate each set of the coordinates on the graph, then color each square purple.  
Tip: Cross off each coordinate from the list after you find it.

The Two Row Wampum Treaty, is the 1613 agreement made between the Five Iroquois Nations (Seneca, Cayuga, Onondaga, Oneida , Mohawk) and the representatives of the Dutch government (English settlers) in what is now New York State. The Two Row Wampum Belt symbolizes the relationship of Native Americans, with the White man. The purple beads signify the course of two vessels - a Native American canoe and a European ship that are traveling down the river of life together, side-by-side but never touching. Each people in their own boat have their own laws, religion, and customs Though the customs followed are different, each people are equal. The white stripes symbolize friendship, peace, and respect between the two nations.

Coordinate List - The first coordinate in each parentheses is the horizontal axis.

(2, 2), (2, 6), (2, 10), (2, 14), (2, 18), (2, 22), (3, 3), (3, 11), (3, 13), (3, 23), (5, 3), (5, 11), (5, 13), (5, 23), (6, 2), (6, 6), (6, 10), (6, 14), (6, 18), (6, 22)
