TELL A STORY WITH A WAMPUM BELT!

1. Think of a special event or time in your life that tells an important story.
2. Using the blank wampum grid - create symbols and shapes that represent these special times.
3. Use your wampum as a visual aid to tell your story in front of a group or class.

Wampum consisted of beads of two main colors, white and purple.

Wampum is used to signify the importance or the authority of the message associated with it.
